PHILOSOPHY

Loyalty, respect, excellence.

These are the principles which our company philosophy is based on and in which the Master Italia TEAM deeply believes in.

Transparency, correctness and reliability are an essential prerequisite to guarantee not only a flawless service and product, but also a relationship based on mutual trust and on strong and profitable partnerships.

ETHICAL CODE

Legality, Transparency and Control represent the basic ethical values on which Master Italia S.p.A. bases its **Ethical Code**.

Recognizing, sharing and accepting those values is paramount, not only to guarantee the correct functioning of the company internal dynamics, but also in order to keep a plausible and steady business reputation.

CERTIFICATION

The real task of Master Italia S.p.A. towards the quality and safety of materials, results in the quality and safety trademarks BY YOUR SIDE (in accordance with the REACH(EC) regulations no. 1907/2006) OEKO-TEX certification and and laboratory controls with the purpose of guaranteeing quality, safety and sustainability of the materials used.

AEO

(Authorized Economic Operator)

AEO Customs is a certification that attests to Atlantis's reliability and safety within the international logistics chain.

In the case of imported goods, this certification simplifies customs procedures and reduces controls. This speeds up customs clearance and deliveries and makes supplies more reliable.

**WE CAN DEVELOP
YOUR KNITTED
CUSTOM-MADE
COLLECTION**

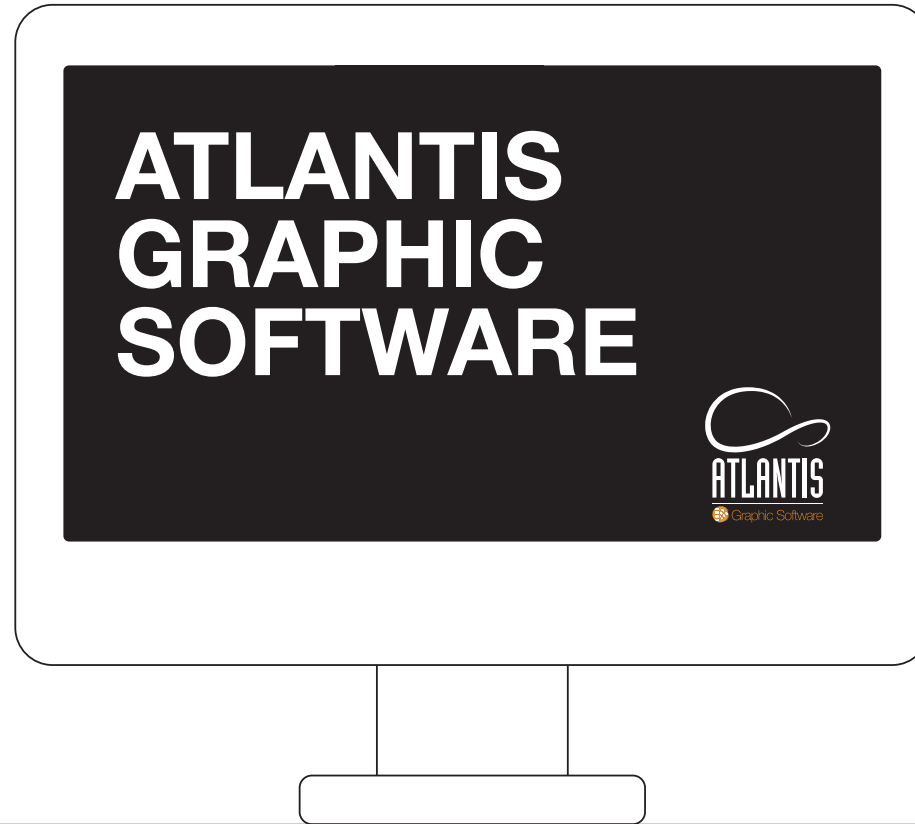

We offer you a wide range of ideas for the CUSTOM-MADE Far East production. Thanks to our brand new graphic design software we create your knitted collection paying attention to detail, from the choice to proposal of knitted models, to development of graphic projects with all colour variations you wish to see.

**GET INSPIRED
BY OUR HUGE VARIETY
OF CUSTOM-MADE
KNITTED MODELS!**

Our **Atlantis Graphic Software** creates perfect renderings, set in a virtual reality able to represent the end product perfectly. You really can create a knitted or jacquard beanie and present it as though it were real!

Starting from a simple **photograph** of a winter beanie, you can create an **infinite variety of colours**, for entire ad hoc collections.

JACQUARD

Jacquard manufacturing on beanies, scarves and gloves represents the excellence of our customization proposal. Indeed, we use the technology offered by the “**CIRCLE MACHINES WITH ELASTAN**”, machineries of the **latest generation** which allow the creation of beanies with smallest details – especially when it comes to images – and which can supply a very **elastic product** thanks to the already cut internal cords.
