PRIVATE LABEL CONCEPT

OTM COLLECTION 500

OTM COLLECTION500

OTM COLLECTION500 – THE PRIVATE LABEL CONCEPT

MAXIMUM FLEXIBILITY

We have developed a system for you that enables you to customize an entire collection with a single logo label.

Create your own Private Label Collection in three steps.

STEP 1 – Choose your Plate 500 in black or white.

STEP 2 – Choose your transparent Ring 500 colour out of 10 available colours and link it with the Plate 500.

STEP 3 – Place your logo on the logo label.

The result is your finished logo label that can easily be attached to over 20 different items of this collection.

One for all. A quick, simple and economical way to create your very own unique collection brand.

OTM COLLECTION500

YOUR BENEFITS INCLUDE :

- ✓ Easy Order in three simple steps
- ✓ One logo label for over 20 items
One PLATE fits all
- ✓ Identical logo impression on all your products
- ✓ A suitable colour ring emphasises your CI and the colour of your logo
- ✓ Flexible order quantities
- ✓ Top quality
- ✓ Fast delivery
- ✓ Detailed reproduction of your logo
- ✓ Implementation of photorealistic motives
- ✓ Brilliant, strong or soft colours
- ✓ Colour gradients
- ✓ Tested products

Production of the print plate in UV printing

Clear - CR

Red - RD

The QuickCharge 2.0® USB car charging adapter is a great help if your chargeable battery needs a quick charge when you are travelling. As long as your cell phone supports quick charging, of course. If not then the adapter charges your phone at the normal speed. Performance with two outputs: standard output USB 5 V DC/1.6 A and Quick charge 2.0 with up to 5 V DC/2.4 A; 9 V/1.7 A DC; 12 V/1.2 A DC depending on the device to be charged. The integrated safety system protects against overvoltage, overheating and short circuit. The colour ring around the logo plate is illuminated by LED backlight.
